OFFICE OF LEGISLATIVE COUNSEL

Monday - 4 October 1965

25X1 1. [ ] Met with Mr. David Glick, Chief Counsel, House Foreign Operations and Government Information Subcommittee, to reaffirm conversations of Friday with the Legislative Office, State Department; was advised that that office is overdue on a promise to call him today. Mr. Glick will advise when he hears from the Department. (See Journal item of 1 October.) No further action on the part of the Agency regarding this matter is required at this time.

25X1 2. [ ] Delivered to the staff chiefs of our House and Senate Subcommittees, copies of the State Department publication entitled "USSR Falters in Economic Growth Race with the U.S." I gave these staff members the background on the production of this paper indicating that Gardner Ackley was making a speech in California today in which he was using parts of the study.
